## NEWSLETTER

Friday 20th November 2020

### A time for reflection and thanks

Since our last newsletter, we have been incredibly busy in school. Last week, all children learnt about Remembrance Day, and have recorded their learning through poems, art work and factual reports. There's something incredibly moving about young children learning about the sacrifice of others so that they can live safely within a free world. A big thank you to Mrs Ward and Miss Turner for organising this special day.

Like many schools across the country, we too have joined in with National Anti-bullying week where children have learnt about the different types of bullying and how to report any incidents to adults so they can help them. We have also explored the importance of on-line safety and the potential harm cyber-bullying can have. We know that safe children learn well, and our Head/Deputy Boy and Head/Deputy Girl have been tasked with writing a child friendly version of our Anti-bullying policy. A huge thank you to Miss Williams and Mrs Docherty for leading and organising this weeks activities, the children have really loved it.

A huge thank you to everyone who participated in our Pyjama wearing Children in Need day. **We raised a total of £198.31.**

Sharon Lewis, Headteacher

### Is your child ready to start primary school in September 2021?

In light of the information that was released in half term about the current lockdown, the DfE statutory guidance for all schools is that parents are NOT allowed to come into schools for any visit, including those who might be new parents. We had anticipated this would be their decision and we had already included this within our risk assessment.

This means that for all new parents who are interested in a place for their child in September 2021, we will be having a 1:1 virtual meeting with myself instead (YR teachers will join us where they can). We are also currently in the process of making a virtual tour and the final details of our new prospectus are being finalised– we intend for these to be with you shortly.

Therefore, if you have already made an appointment via the school office, please can you contact them to make sure we have your email address so we can arrange a virtual meeting (for the same time slot as you had already arranged).

**All applications for starting school (even if your child already has siblings in school) must be made via:**

**Applications will close on the 15th January 2021**
