Term 3:
2nd January –
9th February

English

In Reading we are going to be looking at Shackleton's Journey and The wolf wilder.

In writing we are using Odd and the frost giants to write a setting description and a poem. We will be using our trip to write a recount.

Math

In math we are continuing with fractions, looking at multiplying them and dividing them as well as finding fractions of an amount.

We are also looking at area, perimeter and volume of different shapes.

IMPORTANT *Reminders*

- Please read once a night with your child for 10 minutes.
- Spellings will go up on Friday, a paper copy will be available if you need it from the classroom.
- Children must have a water bottle in school each day. Learning is thirsty work!
- All school clothing to be labelled. This helps us out lots!
- Children are expected to use TTRS to practice their times tables as often as they can. 5 minutes a day can make a real difference!

Topic

This term we have a new focus!
Frozen Kingdoms!

This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

IMPORTANT *Dates*

Start of term: 2nd January
Y5 Swimming starts: 12th January
Ice Skating trip: 25th January
End of term: 9th February
