Term 4:
19th February–
28th March

English

In Reading we are going to be looking at Malamander by Thomas Taylor and Goodnight stories for rebel girls.

In writing we will be creating our own warning stories using the Malamander as a guide. We will then be coming up with our own creature to write an information text on!

Math

In math we are continuing ratio and algebra.

We will then be moving onto fractions, decimals and percentages! Finding the relationships between them and applying them to real life problems!

IMPORTANT *Reminders*

- Please read once a night with your child for 10 minutes.
- Spellings will go up on Friday, a paper copy will be available if you need it from the classroom.
- Children must have a water bottle in school each day. Learning is thirsty work!
- All school clothing to be labelled. This helps us out lots!
- Children are expected to use TTRS to practice their times tables as often as they can. 5 minutes a day can make a real difference!

Topic

This term we continue looking at Frozen Kingdoms!

This project teaches children about the characteristics and features of polar regions, including the North and South Poles, and includes a detailed exploration of the environmental factors that shape and influence them.

IMPORTANT *Dates*

Start of term: 19th February
World book day: 7th March
Parents evening: 12th and 13th March
Red nose day: 15th March
End of term: 28th March
