19th July Medal Assembly
23rd July End of Term 6

Early Learning Zone Term Five and Six

Term Five and Six sees us ask the question, “What’s your superpower?” We will be learning all about people who help us, with real life introductions to fire fighters and other exciting, crucial professions. We will explore the birthday of the NHS, healthy eating and dental hygiene, water safety week, pet month and a careers fair. If you have an exciting job and would like to come and talk to the children, please do let us know!

Transition

Mrs Bovington, Miss Gorham and Miss Turner will begin to focus on planning for the pre school aged children and reception together as the very beginning of transitions begin.

22nd April Headcount week for nursery children. Please see Lisa Ashdown for information regarding funding and sessions.

Reading at Home
As we enter the Summer Term, we are beginning to really see lightbulb moments in the children’s reading. Please come and speak with us if children are struggling to read five times a week at home and we can help!

Please continue to check dojo for new sounds and words daily

Home Visits

For those children joining Reception in September, we will be offering Home visits throughout the week beginning May 20th. These offer families the opportunity to meet the class teacher, the Family Liaison Officer and member of our SEND team as appropriate. Further information will follow in the next few weeks.

Reminders

Please can we ensure that children have spare clothes in their bags. In the wet weather we still go out and even in the sunny weather, we then have water play outdoors. Puddle suits are great, but they don't solve everything!

As we begin to look at the subject of dental hygiene in our curriculum, please can we ask that children have water in their water bottles rather than juice for the classroom. Please come and speak with should this cause a problem.

Snacks should be healthy foods only.

PE kits consist of white t shirts, black shorts and black pumps. Please can your child have their PE in school at the beginning of each term and we shall send home at the end of term just to make sure they have a wash and still fit!

Reading books need to be in school everyday please so we can change them and listen to children read.
