

# YOUNG LEADERSHIP TEAM NEWSLETTER

Welcome to our first Young Leadership Newsletter. We would like to let you know about the things we have doing this term.

DECEMBER 2020 ISSUE 1

## FUNDRAISING UPDATE

We organised a pyjama day to raise money for Children in Need. As well as the amount we collected in school, we also raised £263 on our Just Giving page. Therefore, we made a total of £461.31. Thank you for all your kind donations

## Our new display board

We now have a display board in the school reception area so visitors know who we are. We will add things to this board. Things have been quite tricky due to Covid as we can't get together at the moment because we are all in different bubbles but we are still trying to make a difference the best way we can.

## Can you help?

Please bring any used batteries or printer cartridges into class for our recycling challenge

## Suggestion Boxes

Each Young Governor has made a suggestion box which are in now in classes. Suggestions and ideas can be put in the box so that Young Governors can consider them.

## Our new House system

The Young Leadership team have decided that the winning house each term will be allowed to wear their own clothes.

This term the winning house is Drusillas with 156 points.

Well done Drusillas, you have permission from Mrs Lewis to wear your own clothes on the last day of term, Friday 18<sup>th</sup> December.

At the end of the year a House cup will be awarded. The Cup has been donated by a kind Governor. Thank you, Mrs Simpson.

## Playground Equipment

One of the suggestions made was for new playground equipment. Mrs Lewis agreed and allocated a budget for each class bubble. Each Young Governor had the job of discussing what their class would like and creating a reasonable list – (bouncy castles and bikes were sadly out of our budget)

We have received some of the toys and our next job is to organise and label them. The Young Governors will be ensuring they are looked after. We hope everyone enjoys them!

## Litter

The Head boy, girl and deputies wrote to the Litter Picking Watch Romney Marsh and offered to adopt Baldwin Road and regularly check that it was clear of litter. Mr Brown replied and took them up on their offer and kindly loaned the school some equipment.

The young leadership will be putting together a rota for classes to help keep our local environment clear from litter.
