

Greatstone Primary School Anti-Bullying Policy for Pupils

STOP BULLYING!

Bullying is NOT cool!

Bullying is...

Making fun of other people, calling them names.

Hurting people, stealing their possessions and even leaving someone out..

Bullying makes people feel sad and that's why you need to stop..

Even if you are not the person bullying, you can stop it by:

Telling an adult

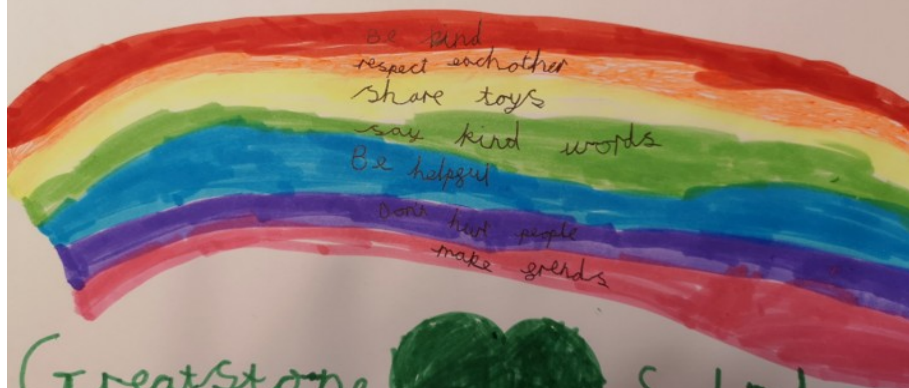

Telling the bully to STOP!

Telling your friends not to laugh if you see someone bullying, so you don't encourage the bully

BE A HERO!

DON'T BE A BULLY!

Stop bullying!

Greatstone  School

Together we can stop bullying !

Lets do this.....

When is it bullying?

Several times on purpose

There is more than one way to be bullied.

Emotional , physical, verbal, racism , cyber etc...

Who can I tell?

Friends , parents, carers, teachers, teaching assistants, lunch time staff and other trusted adults.

Why should we tell?

Its hurtful, it makes us sad, no-one should ever go through being bullied.

Talking helps, telling helps, get some help, at Greatstone, if you need us we're here
